APRIL 2011

ON WITH THE SHOW!

We are now less than two weeks away from our **Spring Ice Show**, which is occurring April 14th, 15th and 16th. Show members have been working hard on their numbers, and you can feel the excitement building at the Club. **Saturday night seats in the hockey boxes, risers and upstairs lounge are sold out.** Saturday night general seating is still available. Please spread the word about our show, and if you haven't purchased tickets yet, now is the time to do so.

WINTER WRENCH UPDATE

As of April 1st, 29 donors had contributed \$8,889 to our Winter Wrench campaign. Thanks to all who participated in this special campaign to help the Club cover operating expenses in excess of budget due to a winter that was tough on our building and our energy usage.

HELPING OTHERS

In previous newsletters we discussed member efforts to aid the **Sunday Breakfast Mission** as it opens its new family shelter.

We no longer have boxes in the snack bar to collect items for the Sunday Breakfast Mission. However, your contributions are still welcome there. You may deliver items for the SBM's new shelter for women, children and families to 110 N Poplar Street, Wilmington, Delaware, two short blocks beyond the train station. Their phone is 877-748-7616. Their parking lot is next to their building and someone is always available to help with heavy items. Please say you are from the Skating Club of Wilmington. If delivery is a problem for you, talk with Jane Reid.

SCW members have generously donated supplies including a high chair, cribs, car seats, a baby scale, books, craft supplies, and toiletries for women and babies. Such items in good condition continue to be welcome.

The shelter has now begun to accept residents, who undergo an 18-month education and rehabilitation program in this safe environment. The goal is to help parents rebuild their lives, find jobs and return to the community. We thank all the SCW members who have contributed. You help demonstrate SCW's commitment to the well-being of our community

SCHEDULE CHANGES

The regular ice schedule will change on numerous days in April due to the ice show, skating tests and Easter. Please check the Club's web site regularly for up-to-date information on schedule changes.

Happy April, and see you at the rink!
