

THE SCW MONTHLY

A Monthly Newsletter Published by The Skating Club of Wilmington

JULY 2010

WELCOME

In an attempt to keep our members more informed of what is happening at our Club, we have started a monthly newsletter.

We are also embarking on several projects to update various Club data bases. Please bear with us as we work on new email lists, the membership directory, and other projects. If you have updated contact information you would like to share with us, please send it to: scwcommunications@ymail.com.

JULY SPECIAL EVENTS

We are hosting **Skate Wilmington** for the 45th year. The dates for the competition are July 29th through August 1. Registration is being done on-line this year, and many skaters have already registered. If you are interested in volunteering, please send an email to Luci Betzler: lnbetzler@comcast.net

We have two **test sessions** scheduled for July: dance tests are scheduled for July 6 in the afternoon and evening, and moves and freestyle tests are scheduled for all day July 8. Please check the Club's web site, www.skatewilm.com, for more information.

We are in the process of planning a **summer party** at the Elks. If you are interested in helping to plan this party, please contact Suzanne Badalamenti at: sbadalam@earthlink.net.

SKATE SHOP SPECIALS

For the month of July, the Sharper Edge Pro Shop at the Club is offering **skating gloves** for \$3.00 per pair (regular price is \$4.00). Treat yourself or your skater to a new pair of gloves for the upcoming competition season.

In addition, from July 1 through July 21, the Sharper Edge Pro Shop is offering **skate sharpening discounts** to all members who have monthly usage plans of 10 sessions or more. The discounted sharpening price during this period will be \$17.00 (the normal price is \$22.00).

SCW is on Facebook - check us out today!

ASK PETER

This month, to coincide with our blade sharpening special, we asked Peter how often skaters should get their blades sharpened. Peter informed us that it varies with the skater - some get their blades sharpened every two weeks, and some will go for many months between sharpenings. Now is a good time to check your blades.

SKATER SPOTLIGHT

We'd like to highlight one of our members each month. If you would like to share a little bit about yourself or your skater with our members, please let us know.

SCHEDULE CHANGES

Please check the Club's web site for upcoming schedule changes. Also note that there will be no Club ice during Skate Wilmington, July 29-August 1, or during the Club test sessions on July 6 and July 8.
